## Forsyth County Emergency Food Assistance Programs' Distribution of Hours of Operation by Zip Code

Spring 2014

Hours of Operation Collected Through March 20, 2014

# Emergency Food Assistance Programs' Distribution of Hours of Operation by Zip Code

Forsyth Futures developed this compendium of operational hours of emergency food assistance to complement the Initiascape© study of emergency food efforts in Forsyth County.

The hours of operation are all point-in-time data.

The following spreadsheets include hours of operation for free emergency food assistance programs that are open to the general public. It does not include programs targeted for children, such as the school meals or BackPack and Kids Cafe programs, or the Senior Services Meals on Wheels delivery locations and feeding sites.

Lead Researcher: Kathy Norcross Watts, MRP, Forsyth Futures Community Initiatives Analyst

Project Supervisor: Dr. Doris Páez, Executive Director of Forsyth Futures
